

Out of Warranty On-Site Repair

No warranty? Don't worry!
We'll keep your
product running.

If you're experiencing problems with your product which are not covered by your current warranty terms, such as liquid spills, accidental damage or mechanical faults, or if the original warranty of your product already expired, don't worry!

With our special Out of Warranty On-site Repair Services you don't need to waste your time finding a reliable and skilled repair centre, or worry about high repair costs. We take care of your product in the same way as we do for in-warranty repairs: with high quality support at a fixed price that includes parts and on-site repair.
